1. Log onto [www.itsyourgame.org](http://www.itsyourgame.org)
2. Under the RED icon "It's Your Game – Keep it Real" click "Access Curriculum"
3. Click Register -(FREE!)
4. Fill out the form and wait for approval
5. After you receive approval repeat steps 1&2.

You will view a screen with Level 1 videos and written materials and Level 2 videos and written materials. Level 1 is typically done in 7<sup>th</sup> grade and Level 2 is typically done in 8<sup>th</sup> grade, but a few districts are starting the curriculum in 6<sup>th</sup> grade.

If you don't have time to view 9 hours of videos and read 500 pages of written materials and you want to see if the curriculum is inappropriate in part, please see the following:

Level 1 video lessons 3, 8 & 10;  
written materials pgs 145-146, 187-189, 192-193

Level 2 video lessons 3, 5 & 9;  
written materials pgs 48, 72, 81-82, 140, 159, 166,-167, 194-197

NOTE: In 2012 the curriculum was more accessible. A parent could view the lessons as a teacher with the capability of rewinding, fast forwarding and pausing, however, now access is only given to the student lessons. A parent must watch the whole hour of each video.
